Highfields Wins MAAA Basketball State Championship

Onondaga, Michigan – March 28, 2017 – Highfields’ basketball team won the 2017 Michigan Alternative Athletic Association State Tournament on Saturday, March 11th at Jackson High School. The team is comprised of students involved in Highfields’ residential treatment program.

Highfields competed against Lighthouse Academy in the finals, and won the game on a buzzer-beater shot by student Marcus Jacobs.

“I am so proud of the dedication and hard work of our coaches, Mr. Rau and Mr. Moore,” said Chris Robinson, Manager of Highfields’ residential program. “They established a team culture with our boys that resonated on the court and on our campus that led to them winning the only state championship during my 7 years at Highfields!”

Highfields is a nonprofit human services organization which provides home-based counseling, residential care, and experiential education and support programs for children, youth, and families in 12 mid-Michigan counties. For more information, please visit www.highfields.org.
