

**“Love Again”** written by: Zion

Oh my brothers, my sisters, my cousins, my soldiers, we’ve got to stay resilient,  
this world is getting colder, when you feeling down, give me your hand,  
we need each other

Oh, we’re going to love again, them dark days, them dark times,  
those will never end,

In my cell, I ask the Lord “please forgive all my sins” ooh whoa whoa

Love, it’s hard to feel it, I have a lot of pain, try your best to heal it,  
yeah, we’re hurting,

Where is the love, I stay lurking, It’s hard to open up, I tend to close the curtains,  
I ain’t felt love in a minute

Hard times, I start reminiscing, alone at night, I tend to get in my feelings, show  
me your love, because that’s what I’m missing,

The struggle feels real, yet it feel like I’m dreaming, I’ve been going through it,  
pain’s got me in the deep end, plenty of times I’ve been lied to, trying to put  
together the pieces,

How can I trust you, when you’ve been keeping my secrets?

When you weren’t there you had me feeling all alone, the pain was eating  
throughout my body, but I had to stay strong, you had me feeling heartless, now  
my love is gone, am I gone love again, that I don’t know

**“One Day”** written by: Carlos

One day, we gone be living on the hills; one day, I’m gone stop with all the pills,  
One day, all my pain gone be healed; one day you gone feel what I feel,  
I don’t wanna see my momma cry no more, felt like a loner my whole life no joke,

Heartbroken & poverty, I know why she’s broke,

That’s why I take the shroom, cause when I’m high, it’s all gone,

I know you’ve been hurting, just know I love you little bro,

Used to write to you every day cause I didn’t want you to go,

Moved my feeling out the way, I hope you know I moved on

Hold on, where was the love when I was around?

Acting like there wasn’t a problem when I was down,

In my dreams I scream in the mic and I jump in the crowd,

Never waited for no money, did what I did I wanted it now,

Was taking that bad path with my life, now I’m changing my route.
