Highfields receives Donation from Dart Foundation for HVAC System

Lansing, MI – June 29, 2020 –Highfields receives generous donation from the Dart Foundation to replace their second floor air conditioning unit in the Jean Schultz Center. The HVAC system was original to the building built in 1990. The unit has been in constant repair due to its extended age and use.

“I continue to be humbled by the generosity, and continued partnership with the Dart Foundation as they help us serve vulnerable children and families,” said Brian Philson, Highfields’ President and CEO.

Highfields’ Jean Schultz Center holds Administration, Reaching Higher, Breakthrough, and Residential Treatment program offices. This donation will help staff to work in a consistent temperature while will allow for a healthy, comfortable environment.

###

Highfields is a nonprofit human services organization which provides home-based counseling, residential care for young men ages 11-17, and experiential education and support programs for children, youth, and families in 13 mid-Michigan counties. For more information, please visit www.highfields.org
