Jackson National Life Insurance Company awards \$11,500 for Highfields' Family Preservation Project

Lansing, Michigan – May 11, 2023 – Highfields Inc., a multi-purpose human services organization for children and families, was awarded a grant of \$11,500 from [Jackson National Life Insurance Company \(Jackson®\)](#) to further our work of family preservation. With this support from Jackson, the Family Preservation Project will assist families with immediate needs that threaten their stability while receiving treatment from Highfields' programs.

“Family preservation and equipping parents and children is at the core of our mission,” said Brian Philson, Highfields' President and CEO. “We are thankful for Jackson and their support of our counseling work with families.”

The Family Preservation Project assists with important resources that may not be readily available, such as diapers, transportation, supplies for children with special needs and similar items and services. The project also helps with the payment of past-due utility bills and security deposits that have become overwhelming for families struggling to make ends meet.

Highfields is a nonprofit human services organization which provides home-based counseling, residential care for young men ages 11-17, and experiential education and support programs for children, youth, and families in 11 mid-Michigan counties. For more information, please visit www.highfields.org.

Jackson® is committed to helping clarify the complexity of retirement planning—for you and your clients. We are dedicated to corporate philanthropy and support nonprofits focused on supporting strong families and creating economic opportunities in communities where its employees live and work.
