

2027 Aldinger Scholarship Fund

Our mission is to provide opportunities to children, youth, and families to become more responsible for their own lives and to strengthen their relationships with others.

Highfields awards Aldinger Scholarships for **up to \$1,500** to individuals who have received services or have a family member who has received services through Highfields.

The purpose of this fund is to support individuals to pursue educational opportunities, including, but not limited to, adult education or enrichment programs, college courses, vocational training programs and trade schools.

The Aldinger Scholarship was created in 1996 in the name of local philanthropist, John Aldinger. Aldinger was a successful businessman who believed in the power of education. He made generous contributions to Highfields before his death in 1995.

Highfields will award several scholarships annually depending on the availability of funds. Each scholarship application will be reviewed by the Endowment Committee and in special circumstances additional funds may be made available. Funds that are approved will be sent directly to the educational institution in the applicants' name and Student ID.

Our hope is to use these funds to help individuals and families we have served gain additional educational opportunities.
